common manhood of every decent citizen of fiscating our property? the negro race. It has always been the case every occasion. be supported by the labor of others, and our ston and Beauregard: foolishness in undertaking to educate him at

The assertion is not true. By slavery and association with white men the negro before brought to America, but left in Africa, are to-day little better than the beasts of the field. They live on tropical fruits, snakes and lizards. They do not know what a book is. They never saw a school house. They do not know what a church is. They never heard the name of Jesus Christ. They are in a state of barbarism. These Charleston colored men know that no greater affliction could befall of the white people also say : Northern benevolence.

Governor Thompson says: "The total amount of funds available for school purposes during the year 1883-4, the latest periods for which reports are attainable, was \$515,580.38. \* \* \* Total amount expended was \$128,419.41."

"Total number of pupils enrolled in the public schools during the year just closed was 178,023, of which 78,458 were white, and 99,555

He seems to be especially generous in recommerce colored."
